

LIVONIA CIVIC CHORUS

April 6, 2020

Dear Friends of the Livonia Civic Chorus,

This is a message that in mid-March I really hoped I wouldn't have to write. But conditions related to the COVID-19 pandemic have not subsided. In the last couple of days there have been state and local orders based on current data of the ongoing impact of this virus that prompted the LCC Board and Music Team to make this decision.

The Livonia Civic Chorus concert scheduled for June 7, 2020, has been cancelled.

What factors contributed to that decision?

First and most important...the PEOPLE.

The health and safety of the 72 volunteer members of the Livonia Civic Chorus and the 600 or so family, friends, and community members who attend our Spring Concert.

Second is access to our venue.

The Governor extended the current COVID-19 closing of school buildings until the end of each district's school calendar. Our concert performance venue is in a school building and now this venue will not be available for us on June 7th.

Third is the impact on our organization.

Concert ticket sales contribute significantly to paying for our Concert costs. We would not be operating in a fiscally responsible manner if we risked the expense relating to Concert costs without the benefit of revenue from concert ticket sales.

This 55-year-old choral non-profit organization will go on through this challenge and we look forward to welcoming our community back when the impact of the COVID-19 crisis is behind us!

If you enjoy Choral Singing as much as we do (We ***“Love to Sing”***), we'll continue to provide links to music from past performances for the Typewriter to include in ***“Musings”***.

We'll also be posting some on our Facebook page (Facebook.com/LivoniaCivicChorus) and soon be announcing dates for our Christmas Concert and Spring Concert for our 56th Season on our website livoniacivicchorus.org.

***“Stay Home. Stay Safe and KEEP SINGING”
The Livonia Civic Chorus hopes to be singing together and for you SOON!!***
